

Utilising Attachment theory in practice with clients across the life-span. Clients/people may present with problems in which broken attachment is one of the significant contributing factors, whether professionally or personally.

Training

SRF will be running a training course on attachment and its impact on the emotional life of individuals throughout their life stages. This training is for those who work in Social care, Education, Health and the Justice system.

The course offers an exceptional opportunity for the deepening of knowledge and experience in the area of secure/insecure and disorganised attachments. And how these impact on practice.

Facilitators: Dr Elaine Arnold - MPhil (Social Studies) PhD; Clinical Social Worker with over 30 years experience of lecturing, working with children and adults who have experienced broken attachments, separation and loss. Lecturing on MSW, and Intercultural Counselling Courses. Training at Nafsiyat (Intercultural Training Centre) and the Bowlby Centre.

Ejay Derooy MSc Psychologist with over 9 years experience in addiction, criminal justice and psychological interventions.

Dates: Saturday 2nd, 9th and 16th February 2019

Time: 11.00 p.m to 2.00 p.m

Address: Room 03, 250 York Road, Battersea, SW11 3SJ

Trains from: Victoria/Waterloo/Canada Water to Clapham Junction.

Buses: from Clapham Junction via St John Hill and Plough Road 295 and C3, from Victoria 44 to York Road.

Session 1:

What is attachment - Definitions, Classifications? The purpose of attachment and its importance in the lives of children/adults.

Attachment Disorders.

Session 2:

The impact of separation and loss, grief, mourning and their emotional impact on the individual. The relevance of broken attachments to delinquency, especially regarding young people in society.

Case studies, Exercises

Session 3:

Attachment in Adult Life. Practical interventions.

You will walk away knowing this was a most valuable, insightful and rewarding attachment training event. It will educate and inspire you in the principles of attachment theory and its application in your practice.

CPD Certificate available on course completion.
